

# William Florell

3rd Year Student at Roger  
Williams University Cummings  
School of Architecture  
3.56 GPA

## *Hi! I'm Will*

I am currently pursuing a BS. Arch at Roger Williams University and a minor in Art and Architectural History. I have a strong sentiment towards human centered design in architecture, and the application of passive and active sustainable strategies to improve the urban landscape we reside in. My previous work experiences have given me valuable interpersonal communication and problem solving skills. Going forward, I am searching for a position as an intern for an architecture firm for the Summer of 2026 that I can apply my skills at.

## Skills

AutoCad

Revit

Rhino3d

Adobe Creative Suite

Lumion

Microsoft Excel

## Work Experience

### Teaching and Resident Assistant

Roger Williams University July-August 2025

As a Teaching Assistant, I aided Professors Hashimoto and Adams guide students through a Studio Course for the Summer Academy in Architecture, teaching drafting and design techniques, guiding students through an introductory architecture course, and building community by enforcing policy, and responding to my residents and students needs.

### Writing Tutor

Roger Williams University August 2024-present

Collaborating with Students, I help them revise and refine academic papers, resumes, and assignment, improving students skills to craft clear, effective, and well organized writing, as well as attending tutoring meetings and training sessions

### Intern

Fextel Inc, July 2021-present

As an Intern for Fextel Inc, I manage inventory of Server parts using Microsoft Excel, and record keeping and digitization of physical company files. My duties extended to managing general cleanliness and custodial service in communal spaces and restrooms.
